DREAM LIFESTYLE AT YOUR FINGERTIPS

*The sea is a cure for everything...*

## Croatian coast for a dream life

The Croatian coast is one of the last untouched Mediterranean gems, **where natural beauty blends with rich cultural heritage and a timeless way of life.** It stretches for kilometers of crystal-clear Adriatic Sea, dotted with charming islands, hidden bays, and beautiful beaches that offer privacy and exclusivity.

Here, the Mediterranean rhythm of life is more than just a daily routine - It is a philosophy that celebrates simple pleasures. Mornings begin with the scent of fresh coffee and a gentle sea breeze; days pass with exploring hidden corners of the coast or relaxing on luxurious beaches, while evenings bring unforgettable gastronomic delights and socializing to the sound of the waves.

Croatia is not just a destination for vacation - it is an **opportunity for a new lifestyle.** Here, you can indulge in the luxury of top restaurants, explore ancient stone cities filled with history, or surrender to the charms of sailing and discovering Dalmatian islands. Croatia is more and more recognized as a safe and promising location for investments, whether it is buying real estate or developing tourism. In Croatia, life is truly lived to the fullest - **a blend of tradition, luxury, and untouched nature** makes it the perfect place for creating unforgettable memories and enjoying every moment.

*Stories woven into every stone...*

## Trogir - cultural heritage that lasts forever

Trogir is a true architectural gem located on a small island between the mainland and Čiovo, connected by stone bridges and filled with stories that go back thousands of years. Its Old Town, protected by UNESCO, is **one of the best-preserved historical centers in Europe**, where every narrow street, old palace, and main square reflect the rich history and cultural heritage of the Mediterranean. This city has been shaped over the centuries by Illyrians, Romans, Venetians, and Habsburgs, leaving behind a unique combination of architectural styles. Its landmarks testify to its past - from the impressive Cathedral of St. Lawrence with the famous portal by Master Radovan, through the Kamerlengo Fortress which offers a spectacular view of the sea, all the way to charming squares and museums that reveal the history of this magnificent city. In addition to its cultural heritage, Trogir also offers modern luxury. Its waterfront promenade is filled with high-end restaurants, elegant cafes, and boutiques, and it is located in a nearby marina that attracts sailors from around the world. Sandy and pebbly beaches around the city, like closeness to Čiovo, offer a perfect balance between exploring history and enjoying the Mediterranean sun.

Located in an ideal position, just **30 minutes from Split**, Trogir offers a blend of historical charm and modern luxury, making it one of the most attractive destinations for living, vacationing, and investing on the Adriatic.

*Where the soul finds peace, and time passes slowly...*

## Čiovo – a reachable oasis of peace

Čiovo is a place where natural beauty meets the common sense of a perfect location. Located just next to Trogir and connected by a bridge to the mainland, this island offers peace and privacy while allowing fast and easy access to key destinations in Croatia and the region. **Split Airport**, one of the busiest on the Adriatic, **being just 15 minutes of driving distance from Čiovo**, allows arrival from any part of Europe within a few hours. The highway connecting Dalmatia and the rest of Croatia provides easy access to Zagreb (by being three and a half hours of driving distance away), and you can also quickly access Dubrovnik and Krka National Park.

Furthermore, Čiovo's unique position offers exceptional flexibility - you can enjoy swimming in the warm Adriatic one moment and be on the snowy slopes of ski resorts in Bosnia and Herzegovina just a few hours later. This combination of coastal luxury and closeness to mountain destinations is very rare in the Mediterranean, making Čiovo an ideal place for those who want the best of both worlds. Although Čiovo is close to all major transportation hubs, the island still retains an authentic Mediterranean charm. Olive groves, pine forests, and peaceful bays create a sense of calmness and privacy, while the closeness to Trogir and Split ensures access to all the necessary contents, from restaurants and shops to cultural events and nightlife. Whether you are coming for a vacation or seeking a long-term investment, Čiovo offers a perfect balance between accessibility and exclusivity, natural beauty and modern comfort.

*A sense of security and peace....*
